Dear Pete and all at Plymouth Bike Nights,

I would like to say a huge thank you for your fantastic donation of **£529** raised through the second Plymouth Bike Night held on Thursday 12th April. Jeremiah had a fantastic time as always.

We have been extremely busy in the office getting ready for several events that we have had coming up both fundraising and clinical.

On Sunday we had our Grandparents Day here at The Millfields HQ. This day is an event for families who are bereaved or grieving for a grandparent and enables them to come together to gain an understanding of how to cope and create memories.

Thank you for helping to make a difference in the lives of grieving children!

Kind regards
