Dear Pete and all at Plymouth Bike Nights,

I would like to say a huge thank you for your fantastic donation of **£243.78** raised through the s Plymouth Bike Night held on Thursday 31st May.

This money along with the other donations from Plymouth Bike nights will help the charity to continue the work we deliver in and around Plymouth supporting Children, Young people and their families who are anticipating or have experienced the death of someone special to them.

Our Stepping Stones project, which supports children, young people and their families, who are faced with a terminal illness of someone close to them, meet every other Thursday and share time together to help cope and understand what is happening and create special memories together whilst they can.

Here are a couple of pictures of the group creating a felt wall hanging of things that are important to them.

Thank you for helping to make a difference in the lives of grieving children!

Kind regards

Laura Goodchild
